

**General Disclaimer:**

The information on this site is provided for general informational purposes only and does not constitute an endorsement, offer, solicitation or recommendation, nor any financial, investment, legal, tax, or any other advice. While we endeavour to publish and maintain accurate information, we do not guarantee the accuracy, completeness, or usefulness of any information on this site nor do we adopt or endorse, nor are we responsible for, the accuracy or reliability of any information submitted by other parties.

This site is not directed or intended for distribution to, or use by, any person or entity who is a citizen or resident of, or located in a jurisdiction, where such distribution or use would be contrary to applicable law or that would subject us to any registration or licensing requirement.

The brands and the logos appearing on this site are the intellectual properties of their respective owners.

**NFT Specific Disclaimer**

Nothing on this site is intended to suggest that NFTs are investment products, securities, or anything similar or “financial” of any description. NFTs are to be reserved for fun only and NOT with any expectation of “value”, “profit”, “yield” or “investment”. Past performance is not a guarantee or predictor of future performance. The value of NFTs can go down as well as up and you could lose all or a substantial amount of your purchase price. When assessing an NFT, it’s essential for you to do your own research and due diligence to make the best possible judgement, as any purchases shall be your sole responsibility. Returns on the buying and selling of NFTs may be subject to tax, including capital gains tax, in your jurisdiction.
